Instructions to Access January 9th PNNS Meeting Remotely (i.e. from your home or office computer)

For the January 9th PNNS Meeting, we will again offer the opportunity for non-local PNNS members to participate in the meeting remotely. We encourage members to attend in person if they are able, but offer this option for those who may be unable to attend.

For the January 9th meeting, we will use webstreaming. To view the meeting and listen to the audio live, simply open the following link in your computer's web browser:

NOTE FOR SEATTLE CHILDREN'S HOSPITAL USERS – When using this link from home, copy and paste into your LOCAL web browser (the one installed on your home computer). Attempting to use this link through Citrix may result in a poor connection.

How do I ask a question or make a comment during the meeting?

Questions and comments may be e-mailed to Sharon Ashman (sharon.ashman@seattlechildrens.org) who will monitor her e-mail for questions during the meeting.

Will I receive CE credit for participating using Live Meeting?

We are currently unable to offer CE credit to members who participate in meetings remotely.

If you have questions or comments about remote access, contact PNNS President Sharon Ashman (sharon.ashman@seattlechildrens.org) or Past-President Christine Clancy (christine.clancy@seattlechildrens.org).
